

Project Scope Guideline

These are guidelines for preparing your formal project scope, on which you will be marked.

They are minimum requirements – you should exceed them.

Typical outline:

1. Statement of the problem to be solved
2. Participants
3. Methodology to be used
4. Research to be done, or source material
5. Original work to be done
6. Codes to be developed or used (if relevant)
7. Deliverables
