# REPORT

**To:** CNS Council file # 1600  
**From:** Bill Garland <garlandw@mcmaster.ca>  
**Subject:** Update on the Universities Committee  
**Date:** May 14, 1998

The following summarizes the status of standing committee actions and activities:

- **Sharing of Course Material:**  
As previously reported, the AECL - Thailand initiative remains a good vehicle to facilitate course sharing. George Bereznai in Thailand has assembled some 40 courses. Written lecture material (course notes and overheads) have been archived in hard copy and electronically. I recently received my copy of about half of the courses. **CNS Council should consider requesting a reference copy for its library.** The sharing of course material and copyright remain as key unresolved issues, as previously reported .
- **CANDU textbook:**  
A good textbook on CANDU is still sorely needed. No action. One day...
- **Annual CNS Conference Education Session:**  
It was planned to hold an education session at the upcoming annual conference. I have had no time to pursue this action and thus this will have to wait until another year..
- **Reference Lists:**  
A list of reference books and reference material on CANDU should be maintained. The current plan is to solicit suggestions via the CNS list server and to post the results on the CNS web page. On hold pending time to pursue.
